

Job opportunities

Graphic Technician / Estimator

First Signs are a rapidly expanding sign company based near Stansted Airport. We currently have a vacancy for a competent and experienced Graphic Technician / Estimator.

Reporting directly to Sign Shop Manager; Duties will include dealing with existing suppliers, sourcing new suppliers and using Adobe packages such as Photoshop and Illustrator to create visuals for client approval, liaising with clients and organising installations with in house teams and external contractors.

Also assisting with planning applications.

The applicant must be able to communicate at all levels, work within a highly motivated team and be willing to grow with the company.

Overtime and weekend work will be required occasionally.

Salary dependent on experience.

Sign Technicians

Also required are experienced Sign Technicians for application and finishing of CAD cut / digitally printed vinyl graphics.

A good knowledge of the manufacture of various sign systems and a working knowledge of Omega software would be an advantage.

Overtime and weekend work will be required occasionally.

Salary dependent on experience.

Please send CV's in the first instance to First Signs and labels.
